TRANSMITTAL LETTER

This filing is responsive to to the NOTICE OF DRAWING INCONSISTENCY of 9/9/2004. The response is filed within the 1 month or 30 day period granted. The notice of drawing inconsistency letter which is attached requested the correction of the specification, noting that Fig 1a is contained in the drawings, but is not contained in the Brief Description of the Drawings in the specification. Applicant herewith responds to this office action by providing the corrected page 5 underlined for courtesy, a clean copy of page 5, and a substitute specification with the revised page #5 inserted as amended. Included with the papers is an affidavit stating that the substitute is a replacement formal specifications and adds no new matter. The reference to fig 1a was an error solely of omission and the reference simply states that fig 1a shows an array of three panel sticky loop labels of figure 1.

A copy of underlined page 5, clean page 5, and the substitute spec including the amended page 5 as well as the the notice is included in the response along with a return post card and express label procedure statement. This is a no fee response and therefore no fee has been submitted with this response.

Respectfully submitted,

Applicant

The following underlined page 5, clean page 5, and substitute specification including the clean page 5 as a replacement is a replacement for the specification submitted on 3/28/01. None of these papers add any new matter to this application. The amende line simply corrects an omission of a reference to fig 1a which is in the drawings but for which the reference was left out in the detailed description of the drawings.
